

## Marnie's Staff bios (in order of rotation:

### Gwen M.

With over 30-combined years of dental experience, Gwen is committed to exceeding patient expectations. And as an oral cancer survivor, she knows first-hand the importance of early discovery and sees an opportunity as a dental hygienist to have positive impact. On a sunny Saturday afternoon, you may find Gwen on the water, kayaking. Or enjoying a little R & R with her husband and their two dogs.

### Nettie L.

Born in New Mexico, Nettie has called Oregon home for the past 28 years. And we're happy she has. Nettie is committed to being the best dental hygienist she can be, and is devoted to teaching patients and supporting their oral health. Family makes Nettie's life complete, and now a grandchild is the icing on the cake. Well, that and a little x-country skiing on a blue-bird day!

### Jenn R.

Jenn's interest in dental hygiene started when she was very young. As a hygienist in Dr. Hofbauer's group, she gives her patients the best care and strives to make a real difference in the way they feel about their smiles. Jenn loves playing guitar, exploring our great Northwest and being with family and friends.

### Dormi K.

A McMinnville native, Dormi brings a genuine warmth to her 8+ years working with Dr. Hofbauer as a dental assistant. Wife, mother and holiday decorator extraordinaire, the highlight of Dormi's job is being part of an advanced surgical team, assisting with her patients successes.

### Sarah S.

A graduate of Carrington College, Sarah has been a dental assistant working with Dr. Hofbauer since 2012. Motivated to help her patients achieve their best oral health, she brings great care and energy to work every day. When not in the office, Sarah just might be playing with her new baby girl, doing a Crossfit workout or catching a Blazer game with her husband.

### Jennifer R.

Although Jennifer is relatively new to Dr. Hofbauer's team, she's been a dental assistant since 2003. Making patients feel comfortable and providing outstanding care are her top priorities. After work, you just might find Jennifer making scratch biscuits, reading, wine tasting, or exploring our beautiful state.

### Kahra-Shea P.

Kahra-Shea began transforming smiles and lives, working in the dental field in 2012. As Dr. Hofbauer's office manager, she is passionate about helping patients understand treatment and relax as much as possible in a calm environment. Her other passion is family. And she cannot spend enough time with her husband Josh and kids Hudson and Shea-Marie.

### Donna C.

Donna may be the first person you'll connect with at Dr. Hofbauer's office. As patient care coordinator she'll welcome you in, get your appointment set-up or make sure your questions are answered. Donna loves the outdoors and you can find her out there fishing, camping and relaxing with family, friends and her four-leggeds.
